

# CITY OF LODI

## COUNCIL COMMUNICATION

AGENDA TITLE: Contract Award for Traffic Signal and Lighting Installation at Cluff Avenue/Victor Road

MEETING DATE: June 5, 1991

PREPARED BY: Public Works Director

RECOMMENDED ACTION: That the City Council adopt the attached resolution awarding the contract for the above project to Community Electric in the amount of \$94,899.00 (Base Bid + Alternate B).

BACKGROUND INFORMATION: This project consists of the installation of a new traffic-actuated traffic signal with left turn phases (arrows) on Highway 12 and minor pavement widening at the north side of the intersection for right turning vehicles.

Alternates A and B are two structural sections for the paving of the shoulder area, Alternate A is a structural section having asphalt concrete and aggregate base. Alternate B is a structural section having all asphalt concrete and no aggregate base. Alternate B was chosen because it is approximately \$5,000 less than Alternate A.

Plans and specifications for this project were approved by the City Council on April 3, 1991 and were approved by State of California, Department of Transportation (Caltrans), prior to that date. The City received the following four bids for this project:

<u>Bidder</u>	<u>Location</u>	<u>Base Bid + Alternate B</u>
Engineer's Estimate		\$117,220.00
Community Electric	San Rafael	\$ 94,899.00
Steiny	Vallejo	\$ 97,392.00
Heaps	Sacramento	\$ 97,665.00
Collins Electric	Stockton	\$125,057.00

APPROVED: \_\_\_\_\_
